Over 50 different music groups slated to entertain passengers at airport for the holidays

**December 9, 2011—San Antonio, TX**—San Antonio International Airport kicks off the 21<sup>st</sup> Annual Holiday Music Festival. Nearly 60 different groups representing local organizations are set to perform for the holiday season. The groups range from area elementary schools, middle schools, and high schools.

The festival runs from December 8, 2011 through December 19, 2011. The program is designed to give local schools the opportunity to perform for the large crowds of the traveling public that they might not otherwise get to do. But, it also gives the public a nice send off or welcome to San Antonio.
